#### 1.4 Feedback Report:

Feedback is an important measure to assess the teachers' ability and performance as well as students' opinion about teachers. In our college feedback is obtained from students to know the overall performance of the teachers in each and every academic session. Besides, on the basis of feedback, actions are taken by thorough discussion in the academic meeting. The basic objective behind taking the feedback is to improve and upgrade the quality of teaching learning process. In the academic session 2021-22, the feedback form is developed in a questionnaire form containing 9 (nine) questions on different aspects of teaching learning process. The feedback form is distributed among the students in the mid of the session and given 40 minutes time to answer the questions. The filled-up feedback form is collected and analysed.
